### **OLDS AUTHOR TO SIGN BOOKS ON MARCH 15**

An Olds author will be in Red Deer on March 15 for a book signing for her novel *Moving Mountains: Secrets, Romance and High Tea in the Canadian Rockies*. Sandy Bexon will be at Chapters from noon to 4 p.m. Bexon, who used her maiden name Sandy Kelly to write the book, was inspired to write after a hike from Chateau Lake Louise to Lake Agnes Tea House. The beauty of that day stayed in her imagination for 25 years before she wrote the book. *Moving Mountains* is described as a gentle, light-hearted tale about a journalist named Sam who is assigned to uncover the legend of an old magic woman who's supposed to live in a cave in the wilderness. Sam is unexcited about this "fluff" assignment and annoyed when his efforts are thwarted by a "beautiful and fiercely protective tea house owner." The author, who works as communications officer for the Chinook's Edge School Division, is selling *Moving Mountains* for \$15 through gift shops and bookstores in the region. Part of the proceeds will go towards SAIT scholarships and bursaries. For more information, visit [www.sandykellyauthor.com](http://www.sandykellyauthor.com).
